LA CASA DE AMISTAD ——— ● LIVE TRAINING

# LATINX YOUTH LEADERS

**La Casa de Amistad is launching a special program in 2023 for future Latinx leaders of our community!**

Latinx Youth Leader (LYL) is an initiative taking place April 15-16 and for six weeks after for 50 promising Latinx teenagers in high school grades 9 and 10. Our goal is to recruit five individuals each from 10 different schools who will stand up and learn what it takes to be a leader. This program is offered for free, at no cost to the students.

There will be two back-to-back full-day training experiences on April 15 and April 16 at La Casa de Amistad. After the retreat, the group will continue to meet weekly for six weeks to complete a project to improve the lives of Latinx individuals in our community. During the interactive sessions, teens will learn from experts on topics related to identity, self-esteem, leadership skills, decision-making, positive relationships, networking, and restorative justice.
